Re: Automobile Accident: 7/19/83
Our File [Redacted]

STAT

I regret to inform you that our continuing review of the accident in which you were involved on 19 July 1983 has resulted in a determination that we must deny your claim. This decision has been made only after a careful review of the circumstances, including visits to the scene of the accident, examination of the police report, interviews with the parties involved, and consideration of the two court hearings which you attended, both of which resulted in rulings that you were responsible for the accident.

As I stated before, I regret that we are unable to rule in your favor on this matter, but I hope you will understand our position. If you are dissatisfied with this action, you may file suit in the appropriate U.S. District Court no later than six months after the date of this notification. If I can be of any further assistance, please contact me at your convenience.

Sincerely,

[Redacted Signature]
